DOB 26/08/2002 | LICENSE B | STATUS AVAILABLE

SUMMARY

AI & Data Engineering graduate from Istanbul Technical University with experience in NLP, LLMs, and agentic AI applications. Co-founder of Fiction Studios, an AI startup at Bilkent Cyberpark building LLM-powered tools for museums and tourists.

EXPERIENCE

- Graduate Researcher**
METU Applied NLP Group
Lead METU NLP Connect, the lab's YouTube channel: expert interviews, educational explainers on LLMs and modern NLP, and recent-paper spotlights. Member of the Applied NLP Group (led by Asst. Prof. Çağrı Toraman), working on LLMs, generative AI, and Turkish language technologies.

04/2026 – Present
Ankara, TR
- Co-Founder**
Fiction Studios
Co-founded an AI startup at Bilkent Cyberpark, an accredited Turkish Teknokent. Built an LLM-powered guide app for museums and tourists. Wound down in 2026.

10/2025 – 07/2026
Ankara, TR
- Junior AI Engineer**
CyberQuote
Built AI automations and agentic LLM implementations for Phillip Capital subsidiary. Intelligent systems for operations and customer-facing platforms.

03/2025 – 07/2025
Istanbul, TR
- NLP Research Intern**
ITU NLP Lab
Researched LLMs for financial applications: forecasting, sentiment analysis, tool usage, reasoning, and RAG implementations.

07/2024 – 08/2024
Istanbul, TR
- AIOps Research Intern**
Havelsan
AIOps research using software log data for predictive maintenance. Generated demos on HDFS logs.

08/2024 – 09/2024
Istanbul, TR

PROJECTS

- Tobor**
Amazon Warehouse Robot
Autonomous warehouse robot simulating Amazon logistics. Pathfinding, obstacle avoidance, task scheduling. Human/cargo detection with custom YOLO.
Python • ROS2 • YOLO • Robotics

2024 – 2025

2022 - 2023

2026 - Present

2022 - 2025

GPA 3.61 / 4.00

2020 - 2022

Transferred to AI & Data Engineering

Deeplearning.ai · Andrew Ng

Sequence Models, CNNs, NN and DL basics, Structuring ML Projects, Improving Deep NNs.

AWS Cloud Technical Essentials

AWS · Coursera

Core AWS concepts, security practices, EC2, Lambda, ECS, RDS, DynamoDB, S3.

SKILLS

LANGUAGES Python ▪ JavaScript/TypeScript ▪ SQL ▪ C/C++

FRAMEWORKS & TOOLS PyTorch ▪ TensorFlow ▪ ROS2 ▪ YOLO ▪ Transformers ▪ Scikit-learn ▪ Pandas ▪ NumPy

SPECIALTIES NLP ■ LLMs ■ Computer Vision ■ RAG ■ MLOps ■ Agentic AI ■ Data Engineering

LANGUAGES

Turkish (*Native*) **English** (*Fluent · TOEFL iBT 109*)

INTERESTS

Coffee · V60 - Aeropress - Moka Pot **Books** · Philosophy - AI/CS - Finance **Anime & Manga** · Watcher
- Reader - Collector **Fitness** · Lifting - Running - Calisthenics
